Record of Completed PEERRS Modules

The person named below has completed the indicated online modules in the University of Michigan's Responsible Conduct of Research training program, known as PEERRS (Program for Education and Evaluation in Responsible Research and Scholarship).

PEERRS is a web-based foundational instruction and certification program for the members of the University of Michigan community engaged in or associated with research. Modules are offered on Foundations of Responsible Research Conduct; Research Administration; Conflict of Interest; Human Subjects Research; Animal Research; and Publications and Authorship. Each module consists of 20-30 web pages containing the core material, short case studies with questions, and pop-ups with additional information to provide greater depth and elaboration.

Certifications are obtained by passing a test associated with each module. The certifications are valid through the dates shown.
